The MAYRON COLE PIANO METHOD

Magic Meadow Operetta

“Where all rainbows end!” Take a musical trip to the most enchanted spot on earth: **Magic Meadow**. Meet Jack Frost, the Tooth Fairy, and all the elves. Their idyllic lives become disrupted when Magic Meadow is threatened with becoming a concrete parking lot for a mega superstore. What can little elves do? You’ll love the surprise ending where we discover what happened to the pot of gold at the end of the rainbow. Each book contains Mayron's original story, music, lyrics, and stage directions so that all cast members can easily learn their parts. 14 songs in a 64 page book. Sheet music at the Levels 3, 4, & 5, but students of all levels will enjoy participating in this presentation. Stage directions and costume suggestions; minimal scenery needed; 45 minute presentation. Can be performed as an in-class recital (no stage required).
