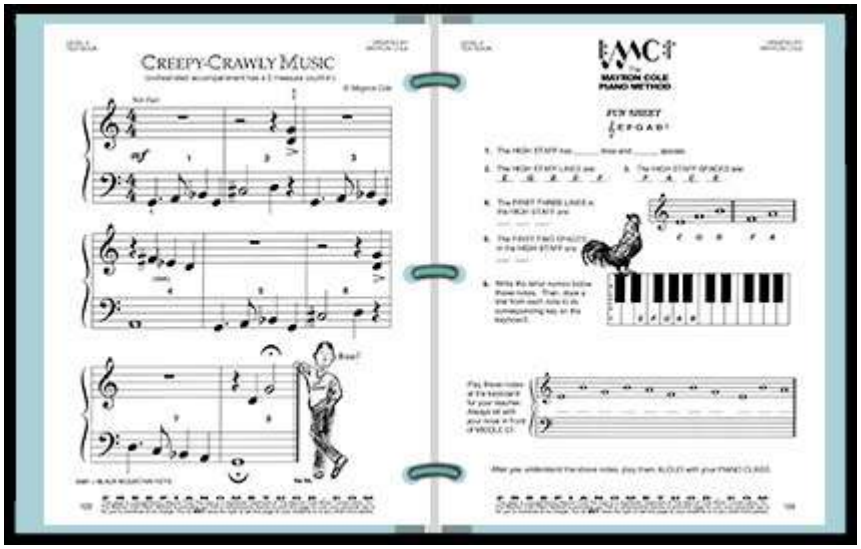
The MAYRON COLE PIANO METHOD

Level 2 Textbook

for graduates of Level 1



Level 2 is for graduates of Level 1 and builds directly on the knowledge from Level 1. **Level 2**, a beginner piano book, provides a thorough study of bass clef staff notes F below the bass staff up to third line B in the treble staff, plus triads and triplets. If you are tired of hearing, "Where do I put my hands?" because most of your students are simply reading fingering numbers instead of reading bass clef notes, then **Level 2** is the piano teacher's dream: a piano method that thoroughly teaches students the bass clef notes. The Finish Line test at the end of the book is comparable to the state Level 2 theory examination. Students should easily pass the Finish Line examination before advancing to the Level 3 textbook.
