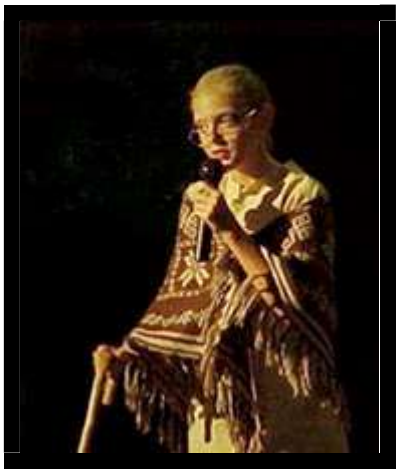
Christmas Collection
Operetta



This operetta tells the story of Christ's birth as recorded in the book of Luke. A narration weaves together fifteen solos with lyrics, traditional carols and some of Mayron's original carols. The sheet music is arranged for Level 1 and includes beautiful teacher accompaniments, but students of all levels will enjoy participating in this presentation. Costume suggestions and stage directions are included; little scenery needed; 45 minutes presentation time. Can be performed as an in-class recital (no stage required).
