The MAYRON COLE PIANO METHOD

STAFF NOTE CARDS

For best results, print on both sides of the paper so the note is on one side of the card and the answer is on the back, print on card stock (the cards will last longer and the answer will not be visible through the page), and cut into same sized cards.

for use in piano class and at home

Do not give all of the cards to the student at once. Add a note card to the student's group of cards to be studied as each new note is introduced.
