DISCLAIMER...

PLEASE READ

Do not play the accompaniments in this book with the CD accompaniments you may have purchased. This teacher's book and the CD accompaniments were written by two different people who probably did not select the same chords to harmonize with the melody. Enjoy playing along with your students using this book of accompaniments written by Mayron Cole; or use your CD and play along with your students playing only the "student's part". Either way, we hope you and your students enjoy the music!
