4. A little " ♯ " means to go FORWARD to the very next key (black or white) and play THAT KEY instead.The little " ♯ " is called a "SHARP SIGN"!

On the little keyboard to the right, find F and go FORWARD to the very next key. Color F-SHARP with your pencil.

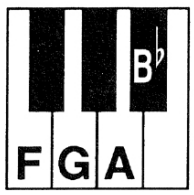

5. A little " ♮ " is called a "NATURAL SIGN," and it cancels a SHARP or a FLAT that was previously written for that note.
