

## Out of Cryo - A Tiny Terror

### Across

- 1 The snow here must comply with a statutory ceiling. (7)
- 5 Ripper cares about its purity, and loss. (7)
- 7 Padmé and *Léon* commonality. (7)
- 9 Many foods are this, apparently, including eggs, ham, and dogs. (7)

### Down

- 1 Snooker, Kaisa or Carom; it's the white one, but some are dotty. (3)
- 2 The Captain and Tennile seemed to see *Dork Tower* coming, with this kind of love. (7)
- 3 Kinnison was one, a kind of O.G. G.L.. (7)
- 4 The newer Cochrane was the first to call it one of these. (4)
- 6 Played tuba for Deathtongue; coughed up no dough. (4)
- 8 According to Gygax, a monster with human or near-human form may be called one of these. (3)
