

# Special Order Form

## VAMPIRE THE ETERNAL STRUGGLE

Lambach's Legion

Official Storyline Tournament for Vampire: The Eternal Struggle

### V:EKN Prince/ Tournament Organizer

Fill out this form and take it to your supporting retailer. Ask your retailer to special order:

**WW02520 VTES: Storyline Lambach's Legion**

from their White Wolf distributor. Each WW02520 kit supports **ten players** at a storyline tournament, so depending on your estimated tournament attendance, you may need to order multiple kits to fully support your tournament. Each kit is valued at US\$10, which you can recover by charging a US\$1 entrance fee to each player at the tournament. Allow 6-8 weeks for delivery when planning your event and ordering the event kit.

Remember these tournaments should be run by September 30, 2003 and the results turned in to Robert Goudie. See [www.white-wolf.com/vtes/veknStoryline03.html](http://www.white-wolf.com/vtes/veknStoryline03.html) for details.
